**PETITION TO CONTEST EXCESS APPLICATION PAGE FEE DUE IN RESPONSE TO THE**  
**NOTIFICATION OF MISSING REQUIREMENTS UNDER 35 U.S.C. 371**  
**MAILED APRIL 5, 2007**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicants respectfully submit that the excess page fee indicated in the Notification of Missing Requirements under 35 U.S.C. 371 mailed April 5, 2007, is incorrect. The specification and drawings as electronically filed on August 7, 2006 totaled 168 pages. The Notification indicates that \$500 in excess page fees were required, which implies that the PTO's calculation was based on the 168 pages submitted. Applicants note, however, that the present application was filed electronically, entitling it to reduced fees. The application size fee for electronically filed applications is calculated at a rate of 75% instead of 100%. Thus, this application's page count for fee calculation purposes only is  $0.75 \times 168 \text{ pages} = 125.25$  pages.

Accordingly, the Applicants respectfully contend that the excess page fee required for the present application is not \$500, but \$250, which was submitted at the time of filing. Therefore, the additional \$250 page fee requested in the Notification is not required.

No fee is believed due. However, please charge any underpayments to Deposit Account No. 13-2490.

Respectfully submitted,

Dated: May 22, 2007
